

Qualification of Partner as Spouse

Definition of Spouse: (Other than legally married Spouse)

The person residing in Canada:

- With whom you have continuously cohabited in a spousal relationship;
 - For one year or more, if neither party is married to any other person;

Or

- For at least three years in all other cases.

I, the undersigned, _____ employee ID # _____
solemnly declare that _____ (*name of spouse*) qualifies as
my spouse in accordance with the terms of the definition stated above.

I warrant that the reasons given to substantiate this qualification are accurate, and I understand that no payment will be made under any benefit provision in respect to said spouse if, on the date of the claim, this person does not at that time qualify as my spouse.
